Photo Release Authorization

In order to promote St. Francis Creche and our wonderful program and teachers, we will be using photos and videos for our marketing materials, the church and school website, as well as local media, the Creche Facebook page and Instagram. During this unprecedented time, we will also be including photos and videos from our class WhatsApp groups and class Zoom meetings. This authorization form enables us to use photos and videos, in which your child may be shown, as well as your child's name and age if appropriate for caption information.

I grant permission to St. Francis Creche to use photos and videos in which my child appears, and my child's name/age, in announcements to the local media and childcare/preschool-focused publications, on the St. Francis Episcopal Church and Creche website, on Facebook, Instagram and on bulletin boards and newsletters at St. Francis Creche.

Child's Name: _____ Date: _____

Parent's Signature: _____
